

## L'ATELIER B.D. DE LA M.J.C.

Chaque samedi, de 15 heures, et jusqu'à...satiété, une douzaine de mordus de la B.D., dont plusieurs jeunes, se réunissent autour de Xavier MOHAMED et de Christian LAF AIS. Ils se sont déjà fait remarquer, en mars 91, à l'occasion d'une excellente exposition B.D. qu'ils avaient organisée au Centre Jules Ferry. Aujourd'hui, les Etudes Toulouses permettent à plusieurs d'entre eux d'être publiés pour la première fois. Chacun a disposé de sa page librement.. Un cocktail prometteur !

Avis aux amateurs.
